

DEBENHAM PARISH COUNCIL

Debenham residents identified that parking and traffic flow in the village was their number 1 priority when the Neighbourhood Plan was being developed.

The parish council are now considering the best way forward on this issue.

A public meeting is being arranged for anyone who is interested in helping to resolve the issues in the most appropriate way.

Do you have ideas that may be of use to help resolve the issues?

If you do, or are interested in helping with this important issue, please attend the public meeting and put yourself forward.

Parking issues in particular will need to be reviewed from a) local businesses perspective, b) resident's perspective and, c) visitor's perspectives.

Please support your village and help make it a better place to live.

**The public meeting will be held on
Monday, September 9, 2019 at 7.30pm in
the Dance Studio at Debenham Leisure
Centre.**
