

Friends of Sir Robert Hitcham School report for the Debenham Annual Parish Meeting 2009

The Friends have raised £8,801.18 towards the Outdoor Playground Equipment. This includes a donation of £1,000 from the parish council. We also have match-funding up to £500.00 from a local business. Two grant fund applications are awaiting a response. MSDC will be donating £750.00. We have various events planned including our popular Summer Fete.

We would like to thank everyone in their continued support of our fundraising activities.
