

The Debenham & District Garden Club

The Debenham & District Garden Club has had an interesting year of talks and visits. These have included advice on fruit tree pruning, growing alpines and campanulas, the historical naming of plants, advice on growing vegetables and herbs and visits have included a tour of the Rushbrook garden of the landscape designer Lucy Redman, the annual outing was to Sissinghurst in Kent and the July meeting was a tour of members gardens in Debenham including a treasure hunt as well as fund raising events and a stall at the Crow's Hall Fayre

Membership has grown, now standing at some 40 plus and meetings are generally attended by an average of 25 members and visitors.

Meetings this year will include a visit to the Stackyard Nursery at Mendlesham, the annual outing will be a tour of the Cambridge Botanic Garden and a mini produce show is planned for the autumn.

The Membership is £10 per person per year or £15 per family. We are a very friendly group and the Club offers a good opportunity for like minded people to swap gardening notes or advice and the opportunity to listen to specialist speakers and new members are always welcome.

Mrs Lynne Cockerton
