HOW ARE WE DOING

Suffolk is a very safe County, Crime levels, based on our end of year figures, show that crime levels have reduced for the 5th year in succession meaning crime levels are at their lowest for a decade.

Priorities

- Along with our partners, we are committed to reducing crime and anti-social behaviour across the county. Together we have developed Minimum Standards of service for victims and witnesses of anti-social behaviour, ensuring a high level of service is provided across the county.

The current Priorities for Mid Suffolk Central are:-

- To provide practical crime reduction advice to householders and businesses in rural villages, to help address burglary and theft offences.
- To work with management of Village Halls and Community centres and provide helpful crime reduction advice and address recent burglaries at such premises.

The Community Priority Setting Meeting is now open to the public and is where our priorities for the following month will be set, please come along and raise any issues.
The next meeting will be **on 16th July, at The Stonham Baptist Chapel Community Hall, Norwich Road, Little Stonham, IP14 5JT.**
