

Debenham & District Garden Club – Report to Annual Parish Meeting 2013

The club has enjoyed a successful year of meetings attended by members and friends.

Monthly meetings have included talks on Carnivorous Plants, Climbing Plants, a Gardeners' Question Time, a Mini Produce Show and meetings during the summer months have included visits to the Stackyard Nursery at Mendlesham, Framsdon Mill and Gardens, a tour of Debenham Gardens, an Annual Outing to the Cambridge Botanic Gardens and fund raising at the Crows Hall Fayre. The AGM in November included a Members evening and a Christmas Social and Quiz was held in December.

The previous Chairman, Caroline Hutt and the secretary, Jo Lewis, both decided to stand down at the AGM in November and the Club continues to be run and events organised by the regular Committee members pending election of a new chairman and secretary.

Membership has increased slightly over the last year and numbers attending meetings has increased. The aim of the Club is to exchange knowledge and further our interest and enjoyment in gardening and horticulture with like minded people. The annual subscription remains at £10 per person, £15 for family membership and £3 per visitor. New members or friends are always welcome at meetings and anyone wishing to 'try out' the club before joining is very welcome to do so.
