

Debenham & District Garden Club – Report for Annual Parish Meeting 27.5.14

The Club has enjoyed another busy and successful year and membership continues to grow.

Our 2013 programme included talks on Weather and climate change by Steve Western from Radio Suffolk; a talk by a member of the British Trust for Ornithology on birds in the garden and a talk on trees and Shrubs for small gardens by Matt Tanton Brown from East Bergholt Nursery. Ourdoor visits included a trip to the Henstead Exotic Garden near Southwold, the Triffid Nurseries at Stoke Ash and the Garden at Blood Hall Cottage. The annual outing to Hatfield House and Gardens was well attended and an enjoyable day out. At the December meeting we held our usual Xmas social evening comprising a quiz followed by refreshments.

We are look forward to a varied programme during 2014 consisting of garden talks and outings and our Annual Outing this year will be a trip to the Sandringham Flower Show.

Our meetings are held at 7.30pm at Coopersfield on the third Wednesday of the month (excluding August and January) and non-members and prospective new members are always welcome to attend.
