GENERAL

We are hosting an opportunity in the coming months for local residents to get their CAT converters marked on their vehicle:

- 1) Lamberts Garage, Bacton, Saturday 7th June 2014, 9am- 12pm

We have had some good results with burglaries in the area east of the A140 recently closing off a spate of burglaries reported in June and July time of last year. We've managed to apprehend 2 separate groups of offenders and detect several burglaries in the area.

One of these was fairly unique in that the offender was not known in this country and we identified him via a DNA hit in Lithuania resulting in an arrest when his feet hit the tarmac at the airport a few weeks ago.

Ongoing Crime Prevention Advice.

Take pictures of valuable items and record their identification numbers or register them on the National database "Immobilise." If you have valuable mobile equipment consider having tracking devise fitted.
