

District Councillors report to 27 November 2017

The move to Endeavour House is now complete. The telephone number for contact is 03001234000

I called in at the new drop in centre in the High Street in Stowmarket which seemed busy and very user friendly.

The Boundary committee has put its proposals to MSDC and they want to make Debenham Ward a 14 Parish Ward with two Councillors. Many of us felt their proposals were unworkable with two Members, which could be either of the same political group or of course separate would be too onerous to attend 14 Parish Council meetings.

Our proposals are below which still increases the work load from two to 6 with one being an annual Parish Meeting.

<b>Debenham</b>	1,755	
Winston	127	
Aspall	44	
Kenton	174	
Ashfield-Cum-Thorpe	165	
Bedingfield	198

<b>Earl Stonham</b>	505	
Stonham Parva	289	
Stonham Aspal	480	
Pettaugh	183	
Mickfield	183	
Crowfield	322	
Helmingham	141	
Framsden	267

If you wish to comment please email [www.lgbce.org.uk](http://www.lgbce.org.uk) and go onto their main website look at current reviews, view all and click on Mid Suffolk and you will be able to put your comments as to theirs and our proposals. This has to be done by 11<sup>th</sup> December.

MSDC are working hard on the feedback for the Local Plan and I will advise when we have an update.

As far as I am aware the Planning Application for Little London Hill will be going to committee on the 13<sup>th</sup> December and the papers will be on line shortly.

Also the Cherry Tree Pub is due to go to committee in early January and I spoke with the Officer today and he will have to write his report up in December. Again I will keep you informed.
