

District Councillors report to 16 April 2018

It seems I have spent the last month either at Planning Briefings, licensing briefings or planning meetings or Referrals meetings or training of one form or another. However for Debenham the items of Interest are as follows:-

The Debenham Cherry Tree applications will go to committee on Wednesday 25th April meeting to be held in Endeavour House.

The Angel Public House has another planning application in and can be viewed on the website under DC/18/01212

I have forwarded a link to the clerk to enable the Parish Council or members of the public to have a system set up on their computers to alert them of new planning applications so they don't miss any of these informative reports.

An Official announcement has been made from the Leaders of Mid Suffolk District Council and Babergh District Council that at this time they will not pursue a formal merger. A draft business case is on the website for public record. All efforts will be made to look for further savings and Officers continue to work for both Councils.

Cllr Mrs Kathie Guthrie
