Dear Sir/Madam,

RE: Notification of Mid Suffolk Community Infrastructure Levy (CIL) Submission

In accordance with Regulation 19 of the Community Infrastructure Levy (CIL) Regulations 2010 (as amended), following the closure of the CIL Revised Draft Charging Schedule consultation period, on the 18th March 2015, Mid Suffolk District Council formally submitted the CIL documents to the Planning Inspectorate for Examination.

Details of the documents and information submitted to the Planning Inspectorate along with a copy of all the duly made representations received have been published on the Council website here: www.midsuffolk.gov.uk/cil

The Council has appointed **Yvonne Wright BSc(Hons) DIPT&CP MSc MRTPI** from the Planning Inspectorate as the independent **Examiner** to undertake the CIL Examination. If public hearings are to take place for the Examination process, then details (time, date, venue etc) will be advertised in the local press in due course, the Council's CIL Examination page will be updated, and the appointed Programme Officer will notify all CIL consultation respondents.

The Council has appointed **Annette Feeney** as **CIL Programme Officer** to coordinate the Examination. All correspondence and enquiries in relation to the Examination of the CIL charges should be directed to the Programme Officer via email on Annette.Feeney@baberghmidsuffolk.gov.uk or telephone on 07748 624953.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'M Deakin'.
